                           6 holes for locking latches
   2 loading flaps with locking mechanism

Advantes

- High product protection
- High load capacity and stacking load
- Long lifetime
- Easy handling
- Compatible with euro pallets
- Space-saving return transportation

Volume reduction

For the return and storage of empty containers, the sleeve will be placed between pallet and lid. Due to the sandwich folding one complete packaging unit remains together.

- Height folded: 260 mm
- Stacking height: 247 mm

- Return Rate [Standard]:   1:4,3
- Space-savings: 77%

- Return Rate [Jumbo]:   1:4,0
- Space-savings: 75%
